YOUNG PEOPLE SPECIALISM

SEVERN ARCHERS

has committed to the young people club specialism and has pledged to fulfil the following characteristics:

Y1 The club openly advertises opportunities for young people to participate in archery.

Y2 Club activities do not exclude young people if their parents/guardians are unable to attend.

Y3 On at least a weekly basis the club provides specific training sessions for young people

Y4 The club actively seeks to recruit and retain young people by providing a varied and appropriate shooting programme

Y5 The contribution of the role that young people can play in the running of the club is recognised and valued

Y6 The club understands the issues around working with young people and provides an appropriate environment for young people to learn and socialise

Y7 The club demonstrates a commitment to, and is mindful of, the obligations to the welfare of young people

Y8 The club is able to identify barriers and works to find solutions through a plan of action.
